Re: United States v. Itzhak Hershko
16-CR-573

Dear Judge Seybert:

Mr. Hershko's sentence is currently scheduled for 11:30 on Friday, February 14. There is a family recital that is quite important to the defendant and his wife and is taking place late morning on February 14. If it would not be inconvenient, I would appreciate it if the Court could delay the sentencing until 1:00 or 2:00. I have discussed the matter with AUSA Christopher Caffarone and he has no objection.

Thank you.

Respectfully submitted,

STEPHEN P. SCARING
